Name of Owner: Brenda Carroll Business Name: Corroll Sell Farms

Address: 3317 Horning Rd Directions: _____

City: Plattsburgh State: NE Phone: (402) 561-2531 Cell: ()

Information Received: Caller was concern for the well fair of the dogs. They think all the dogs of been moved inside the barn. Not sure if the dogs get exercise. A lot of barking that is becoming annoying. The smell of feces is overwhelming. Would like the department to do a wellness check on the dogs.

Follow-Up Action Taken: On 8-29-18, I followed up, on a complaint, and found numerous violations, based off of standards. At that time Brenda Carroll had 36 Adult dogs, and 45 pups. At that inspection, I gave Brenda Carroll the option, to downsize or to have more employees, to properly care for the dogs. I did follow up on this most recent complaint, today 11-13-18. My findings are as follows. Brenda Carroll, has downsized in dog numbers, to currently have 10 adult dogs, and 21 pups, she has released 50 dogs to rescue over the last 2 months. All standards were in compliance. All dogs are being well cared for, and appear to be in good health.
